

DID YOU SEE IT?

The shimmering lights in the sky above Waterloo?

Folklore says these are spirits of our ancestors dancing in the sky. Those who know, know those lights are from Circe's Aurora parties of course - where the god's really go to party.

Enjoy magical dishes and warming beverages till the early hours this Winter, because longer nights make for one thing, longer parties.

OLYMPIANS

Our epic selection of world-class cocktails made by our in-house bartender team, which soon will be carved into the walls of history.
